

Dear Families,

I am so excited to be working with your child this year as Ms. Sparrow will be taking some time to be with the new little addition to her growing family. I have a lot of exciting things planned for the school year and looking forward to working with each and every one of your students!

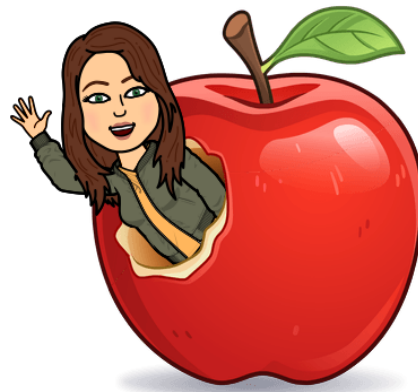

**A little about me :** My name is Kristen Gunning and I have been in various different roles in the Perry Community over the years. I have also worked at the Higginson Lewis in Roxbury as well as the Lee Academy in Dorchester. I currently live in Dorchester but my passion & love for teaching began while living in the Virgin Islands 9 years ago. I taught middle school in St. Thomas for 2 years and then came back to Boston to pursue my Masters Degree in Education at UMASS Boston. When I'm not in the classroom you can find me with my family & friends or in the kitchen cooking!

Before the school year gets started I would love to get to know you all a little better too ! I will be reaching out over the next few weeks to connect with you all! In the meantime, please don't hesitate to reach out to me with any questions or concerns! I have attached a list of preferred supplies for each student as well as some materials/supplies that we will use throughout the year in the classroom to keep our space clean & safe !
