

August 2021

Dear Parents, Guardians and Families,

We are looking forward to having your son/daughter in our classes this school year! We will work diligently to ensure every child has a tremendous social, emotional, and academic year for 2021-22!! Working together with you, we will provide every student a fun yet challenging learning experience.

Homework will be assigned every night in each of the core academic classes. Also, each student will receive a blue plastic folder that they will need to take home and return to school each day. Please check this take-home folder every night for important information, permission slips, graded work, progress reports, etc. Students should keep their take-home folder in their book bags at all times.

Here is a list of the materials that are required for our classes:

Supplies for all classes

- Writing utensils (pencils, mechanical pencils, blue or black erasable pens)
- A pencil case that is easily portable for students

Optional, but nice to have:

- Erasers
- Highlighters
- Colored pencils
- Large glue-stick
- Tissues
- Sharpeners (Hand held)
- Tape
- Pocket-sized hand sanitizer
