

Dear Families,

Welcome back to the 2021-2022 school year! I hope all is well and this message finds you in good health. I am thrilled to be your child's teacher and I look forward to working with your child this year. I hope you had a fabulous summer, and I can't wait to hear all about it.

Reminders:

Important Forms: *There will be a number of forms being sent home during the first week of school. Please fill out student Emergency Forms, & "Walking Field Trip" Permission Slip.*

In the coming weeks, I will be reaching out to each family individually. In our conversations, I look forward to learning more about your students as individuals and learners. If you have any questions, concerns, or would like to discuss any information that may be helpful for me to know so that I can best support your child, please feel free to contact me at smulenga@bostonpublicschools.org

Below, I have attached a list of school supplies that will help your student learn at home. If a student needs access to a Chromebook /iPad/ or technology support, please let me know as soon as possible.
